# e-Prescription

## Medicare ePrescription Incentives & Penalties

2008 MIPAA Act authorizes CMS to provide eRx incentives, and also adjust payments (impose penalties) on Medicare providers not using ePrescription by 2012. ePrescription is easy to use and we can help

<b>Prescribing Year</b>	<b>Incentive</b> (amount added to your Part B Physician Fee Schedule Amount)	<b>Penalty</b> (amount subtracted from your Part B Physician Fee Schedule Amount)
2011	+1%	-
2012	+1%	-1%
2013	+0.5%	-1.5%
2014	-	-2%

## ZoomMD - Surescripts Certified ePrescription

ZoomMD eRx is certified and connected to the Pharmacy Health Information Network (PHIN) via Surescripts/NewCrop LLC to provide you with the largest network of Pharmacies throughout the United States.

Our ePrescription software allows you to write and send accurate, error free prescriptions instantly to any Pharmacy in the country with just a few clicks. The ZoomMD eRx system is an adaptive, intelligent system that can be used as a stand-alone product or integrated with other software modules.

## ePrescription features

- **Online ePrescription & eRefill:** Send prescriptions to any pharmacy
- **Favorite Lists:** Create favorite medication lists for instant prescribing
- **Medication List:** Instantly adds prescriptions to patient's current medication list
- **Medication History:** See all previous and current medication
- **Drug Reference:** Comprehensive Drug Reference from Lexicomp
- **Allergy Alerts & Drug Interactions:** Automated, based on patient history
- **Pregnancy and Geriatric Alerts**
- **Formulary Status:** Comprehensive managed care formulary & Part D information
- **Patient's Default Pharmacy:** AutoRx routing to the patient's preferred pharmacy
- **Secure, Web-Based:** Send prescriptions from any where, anytime
- **Electronic Faxing:** If needed, uses electronic fax option without the need to print
- **Print Feature:** If desired, print prescriptions for patients or for paper chart filling

*Start realizing immediate time and cost savings when you and your staff are not spending several hours a week in pharmacy call-backs, faxing, following up with pharmacy, or interpreting hand-written prescription information to pharmacists.*
