Medical Billing

Lower Billing Costs, Improve Revenue

Metasolutions, Inc has received recognition for its fast, accurate, and highly effective billing.

Our Unique service Combines the latest technology with talented billing professionals to obtain the highest possible reimbursement.

Our system was designed by a team of physicians and medical billers working together to perfect a method to improve cash flow and revenue

We work with clients of every size ranging from small, solo practices to large medical groups and healthcare organizations.

WE have direct online connectivity (via our partnership with Emdeon) with all government payers, insurance companies, and local payers

We Offer:

- *Free web-based billing software (can be integrated with our EHR)*
- *Exceptional service with professional billers*
- *Unparalleled analysis & reporting*

All you ever wanted from a billing company and more...

- Reduce your billing costs up to 30%
- Improve collections up to 10-20%
- Fast, online claims submission
- Electronic super-bill system eliminates paper & fax
- Online eligibility verification
- Online patient balances
- Online claims status
- Assigned medical billers who specialize in your practice
- Comprehensive monthly reports
- Aggressive collections
- Clean-claims system that ensures that maximizes first pass payments
- Coding review to minimize under-coding and maximize collections
- 100% HIPAA compliance & data security

One Fee, Full Service

We offer comprehensive services for one low fee (usually 5.5% to 7.5% of collections based on specialty and volume)

Please see our unique combination of latest billing software technologies with comprehensive billing services
