## Flexible Dictation Options:

Dictate via our phone system or via a digital recorder

Our proprietary *File Transfer System* securely and automatically uploads your voice files to our secure portal

Completed transcriptions are available to you instantly online or delivered to your desktop via *File Transfer System*. Transcribed documents can be edited by you on our web portal any time without the need to download. Transcriptions can also be auto-faxed directly to referring physicians or other authorized recipients

your dictations are quickly transcribed (within 12-24 hours) by our professional medical transcription team. Transcribed files go through proof-reading, editing, and quality checks before being finalized.
